RE: *Silvertip Subdivision, P.U.D.
Preliminary Plat Application*

Dear Charity:

We are pleased to bring before you our Preliminary Plat Application for Silvertip Subdivision, PUD at Moonlight Basin. You may recognize this subdivision as being formerly known as The Club at Moose Creek, Trapper Creek and it was originally part of the Cowboy Heaven Phase 3C preliminary plat as Area IV. As you know, the Moonlight Basin development has established a high standard of quality for the Big Sky area and we are sure that this proposed subdivision will further enhance the area.

We look forward to meeting with you and the Planning Board Members on June 30th at your Planning Board meeting. In the meantime, please let us know if you have any questions in regards to anything presented in this Application.

Thank you for your consideration of our Preliminary Plat Application. Feel free to contact us if you have any questions

Sincerely,
